

ORGAN AND TISSUE DONATION

LifeSource invites your family to participate in a very special project as a way to honor those who gave the gift of life through organ and tissue donation. The LifeSource Donor Family Quilt memorializes the loved ones of donor families who live in the communities we serve. It is an ongoing project that will never be complete, in that we will continue to add patches to our quilt as families submit them.

Please do not feel that you need to be exceptionally artistic to contribute. The detail of your memory patch can be as simple or complex as you'd like. What will be important is the love and memories that the quilt represents.

You might also like to consider sharing your feelings about making your memory patch, as well as provide a tribute to your loved one. You may email your tribute (125 word maximum, please) to familyservices@life-source.org. A photo of your memory patch, along with your tribute, will be added to our website. You can view our quilt and read the tributes at www.life-source.org/families/quilt.

Attached is a pattern for you to use in creating your memory patch. Quilt patches must be 8" square. However, please allow a 1/2" margin around the entire edge so that your image or design does not exceed 7" square. When your square is complete, please mail it to us with the attached information sheet. Be sure to include your name, address, phone number, and your loved one's name, date of their death and your relationship to them.

We realize that recognition of this type is beneficial for some families and difficult for others. Please do what is best for you and your family. We are also asking that each family only submit one patch in memory of their loved one. If you have any questions about this project, please contact us at 612.800.6100 or 1.888.536.6283.

We look forward to receiving your quilt square for this very special and meaningful tribute.

Sincerely,

Jill Halimi and Heather Beals
