

MAKE YOUR MARK

DONATION AND TRANSPLANT BY THE NUMBERS

THE NEED

115,000
nationally

3,400+
in the Upper Midwest

waiting for life-saving organ transplants

THE IMPACT

ONE PERSON can save and heal up to **75 LIVES** through organ, eye and tissue donation.

ORGANS that can be donated include heart, lungs, liver, kidneys, pancreas and intestine.

TISSUES that can be donated include eyes, skin, bone, heart valves, veins and connective tissue.

More than **1 million** people need tissue transplants each year, and nearly

50,000 people have their vision restored through cornea transplants every year.

HOW YOU CAN HELP

More than **2.6 million** Minnesotans have registered to be an organ, eye and tissue donor.

**IF YOU SUPPORT DONATION,
DO TWO VERY IMPORTANT THINGS:**

Register to be a donor on your driver's license, state ID card or online at www.DonateLifeMN.org

Tell your family about your decision to be a donor.
