

About LifeSource

LifeSource is one of 58 federally designated organ procurement organizations (OPO) in the United States. We serve the second largest geographical region, focusing on Minnesota, North Dakota, South Dakota and portions of western Wisconsin.

As an OPO, we are designed to facilitate organ, eye and tissue donation between hospitals and transplant centers; support families and patients by honoring their intentions; and educate our communities about the impact of donation.

Programs made possible through support of the LifeSource Golf Classic include:

- Hospital partner and public education on donation
- Driver's License Office Outreach
- High School Programs
- Media Relations
- Donor Family Services
