

Donor Family Quilt Squares

LifeSource invites your family to participate in a very special project as a way to honor those who gave the gift of life through organ, eye and tissue donation. The LifeSource Donor Family Quilt memorializes the loved ones of donor families who live in the communities we serve. It is an ongoing project that will never be complete, in that we will continue to add squares to our quilt as families submit them.

Please do not feel that you need to be exceptionally artistic to contribute. The detail of your memory square can be as simple or complex as you'd like. What will be important is the love and memories that the quilt represents.

Attached is a pattern for you to use in creating your memory square. Please keep in mind your design must not exceed a **7" square**. Be sure to leave at least $\frac{1}{2}$ " of additional material around your design so it can be sewn into the quilt. When your square is complete, please mail it to us along with the attached form.

You might also like to consider sharing your feelings about making your memory square, as well as provide a tribute to your loved one. Please email your reflections and tribute (125 word maximum) to **familyservices@life-source.org**. A photo of your memory square, along with your tribute, will be added to our website, which can be found at **www.life-source.org/ donor-families/quilt**.

We realize that recognition of this type is beneficial for some families and difficult for others. Please do what is best for you and your family. We are also asking that each family only submit one square in memory of their loved one. If you have any questions about this project, please contact us at **612.800.6100** or **familyservices@life-source.org**.

We look forward to receiving your quilt square for this very special and meaningful tribute.

Sincerely,
LifeSource Donor Family Advocates
